HITACHI
Inspire the Next

A name you know. A new offer too good to pass up?

You know Hitachi makes top quality CIJ printers for your date/lot code and 2D barcode package printing needs. Did you know Allen Coding UK has a new and market-leading Hitachi offer for you?

Industry-Leading 5 Year Warranty WE GUARANTEE IT

- **More than TWICE as long any other CIJ warranty currently available in the UK**
- No small print
 - Given regular annual maintenance, warranty provides complete technical support on phone or in person.
- No surprises
 - Beware of the hidden fees in "maintenance free" alternatives that require expensive "core" or "tank" replacements every couple of years. With regular annual maintenance you have closed maintenance costing for a five year period.

No Cost/ No Obligation Demonstration WE'LL PROVE IT

- You may have heard about Hitachi's superior CIJ performance. Would you like to see it in action at your facility?
 - We are happy to provide a no cost-no obligation demonstration at your facility.

High Quality Print

- Advanced capabilities to meet your printing needs today and tomorrow
 - 6 lines of print, barcode and 2D matrix printing capabilities standard
- Good range of inks
 - Including colour, thermo chromatic, and high temperature.

Industry-Leading Makeup/Solvent Efficiency

- Low total cost of ownership
 - Industry-leading low solvent usage. **Up to 50% reduction** in solvent use compared to alternative brands.
- Significantly less odour
 - In addition to cost savings, lower solvent usage greatly reduces "alcohol" odour.
